Incasare

Plata

Table layout for list 2-----Available to acces only from tablet's local ip.  
List must grow as data is added, once an item is added can not be DELETED.  
Cashout with – sign (Plata) should be with blue background

When user taps Incasare it is for cash in. It should be a popup window:

The screenshot shows a software interface for recording a new cash-in transaction. The window has a blue title bar with the text 'Inregistrare incasare noua' and a close button. The form contains the following fields and controls:

- Tichet**: A text input field with the placeholder text 'Cashier types here'.
- Cost**: A text input field with the placeholder text 'Type cost', followed by a label 'RON'.
- Tip plata**: A dropdown menu with a downward arrow icon. To its right, text indicates the dropdown list contains 'Cash' and 'Card'.
- Mentiune**: A text input field with the placeholder text 'User types here any observations, if none puts -'.

Below the input fields, a message states: 'Toate campurile sunt obligatorii.' (All fields are mandatory). At the bottom right, there are two buttons: a green checkmark icon and a red 'X' icon.

When user taps plata (for taking cash out)

The screenshot shows a software interface for recording a new cash-out transaction. The window has a blue title bar with the text 'Inregistrare plata noua' and a close button. The form contains the following fields and controls:

- Tichet**: A text input field with the placeholder text 'Cashier types here'.
- Cost**: A text input field with the placeholder text 'Type cost', followed by a label 'RON'.
- Mentiune**: A text input field with the placeholder text 'User types here any observations, if none puts -'.

Below the input fields, a message states: 'Toate campurile sunt obligatorii.' (All fields are mandatory). At the bottom right, there are two buttons: a green checkmark icon and a red 'X' icon.
